

## One-Step Metal Protection - The Ultimate Metal Polish

Keep your boat's metal surfaces looking good as new with the DITEC Marine Metalon PX, the one-step system that works faster and keeps working longer than the competition. We make all of our products with the environment in mind, and our top-rated Metalon PX is a water-based formula that's non-toxic and biodegradable; free from harsh and harmful chemical ingredients. It is a complete solution for cleaning and protecting the metal surfaces throughout your boat. Metalon PX is a multi-surface metal cleaner, polish and protectant, and can be used on all metal surfaces, including stainless steel, aluminum, brass, chrome and silver. Enjoy a peerless shine, plus temporary protection against the return of rust and corrosion.
