MARINE PRODUCTS

ditecmarineproducts.com

DITEC Wipeout is a high-efficiency, cleaner/degreaser designed to provide efficient solutions for the most demanding tasks. Non-fuming formulation makes using this product ideal in close quarters and bilges. **This product can be SAFELY rinsed or discharged into all lakes, rivers, streams and waterways.**

COST & PERFORMANCE

- Contains a safe, bleach-free and heavy-duty solvent to remove grease, grime and dirt.
- Highly concentrated product. Can be diluted down up to 50% for lighter cleaning or used at full strength for more aggressive cleaning.
- Safely removes organic stains, dirt, oil, grease and grime.
- Use to replace bleach-based products for cleaning and whitening.
- Stable when in contact with acids and alkali.
- Not harmful to aquatic life.

USE & APPLICATION

- Metal, fiberglass, glass
- Paint and gelcoat
- Ceramic, stone, tile
- Plastic, rubber, vinyl
- Fabric, carpet
- Concrete, brick

ENVIRONMENT

- MARPOL Annex III and Annex V compliant
- REACH compliant
- Excellent aquatic toxicity profile
- Readily biodegradable

PRODUCT SPECIFICATION

Appearance: Clear liquid
Solubility: 100% in water
pH: >9

SUGGESTED DILUTION/DIRECTIONS

Wipeout can be used full strength concentrate or diluted down to no less than 1:1 with fresh water (50%/50%), depending on the degree of grease, stains, or oils. Spray bottle is ready to use. Spray Wipeout directly onto area/surface in need of cleaning. Allow product to soak/dwell soiled area for 1 to 5 minutes. Wipe clean with cloth, sponge, or brush, depending on cleaning application. Rinse the surface with fresh water. Repeat if necessary.

SIZES

Quart (32 oz) Trigger Spray, Gallon (128 oz)

DITEC believes that the environment is our most precious asset, and we must take personal responsibility for how we affect it. We develop products that are unsurpassed in quality and performance, and meet or exceed the highest environmental regulatory standards in the world.

DITEC Marine Products certifies that our products are fully compliant with the standards of MARPOL Annex III, MARPOL Annex V, and EU REACH. When used as directed, our DITEC products are not harmful to the marine environment and can be discharged overboard with wash water. We are committed to being the leader in environmental responsibility in the marine industry.
